BLACK HISTORY MONTH

The observance began at Kent State University in February 1970. President Gerald Ford recognized Black History Month during the celebration of the United States bicentennial. At that time he urged all Americans to "seize the opportunity to honor the too-often neglected accomplishments of black Americans in every area of endeavor throughout our history."

THANK YOU!

The Installation liturgy last Wednesday evening with Bishop Perez was a beautiful and inspiring celebration. I was overwhelmed with how much joy you anticipated the celebration, not to mention the hard work on so many fronts to make my first installation as a pastor an event I will never forget. God is good ... And so are you ...

I sincerely and deeply thank everyone who had anything to do with making the evening so joyful and full of praise to God. If you wanted to make me feel appreciated, loved, and welcomed, you did. Way beyond my expectations.

So let's move forward together to continue to build a vibrant presence of God's Kingdom in this little corner of his world.

TEMPORARY PROTECTIVE STATUS (TPS)

The Catholic Diocese of Cleveland has recently been made aware of the fact that people who live in Ohio and have Temporary Protective Status (TPS) may have the ability to get a green card if they have an immigrant visa immediately available. Many may not be aware of this, as this was a new development in the last few years. If someone has TPS and has not recently consulted with an immigration attorney, now is the time to do so.

If you have any questions please contact Sr. Rita Mary Harwood, SND at 216-696-6525 ext. 2200 or rmharwood@dioceseofcleveland.org.
