**VIOLENCE IN OUR NEIGHBORHOODS
HOW DO WE RESPOND?**

A nine-year old girl dies in the cross-fire in the Lee-Harvard neighborhood. In the same neighborhood a man steals a car from a gas station while a young child is strapped-in in the back seat. A police officer is shot dead in Mentor. A man accosts a woman out for an early morning jog in Garfield Park. And then there was a violent shooting on E. 128th Street this week.

How should, how can, our parish respond to the violence of our neighborhoods? I know that the causes and the sources of these kinds of events are extremely complicated and will never be fully known. Human behavior is much more complicated than that.

The presence of the Catholic Church in our neighborhoods must be a beacon of light, love and welcome. What ought we to do in response?

I am asking you today to think about this with me. Perhaps we can respond in several ways. I'm thinking out loud as I write these words hoping that it might be the beginning of generating some fruitful ideas.

Maybe we can dedicate a town hall meeting to such a discussion; in any way you choose, please let me know what you think.

Thank you.

JUST A REMINDER...

the Sacrament of Reconciliation (confession) is celebrated every Wednesday from 5:00 - 6:00 pm before the 6:30 pm Mass.

**WEDNESDAY EVENING MASS
6:30 PM**

The attendance at our Wednesday evening Mass at 6:30 pm has been growing. We start with about 15 people, and before long, we can be close to 25 people. We are too many people to sit comfortably in the small chapel, so for 11 months now we have been celebrating that Mass around the church's main altar. Many of the people in the choir come a little early to choir practice in order to attend the Mass before weekly practice begins. Volunteers at our Wednesday food program stay after it closes to attend Mass. But you don't have to be a member of the choir or a volunteer to the food program to attend Wednesday's Mass.

If you're looking for a little respite in the middle of the week — an opportunity to spend some time with the Lord and with your fellow parishioners who want to hold you up — come on Wednesday evenings.

VIDEO OF THE 10:15 AM MASS

Remember every Sunday, the 10:15 am Mass is being recorded and posted to YouTube. It can be accessed through our parish website: www.holyspiritcleveland.org.

Don't forget to spread the word to the shut-ins and those who are away, be it military or college.

COMPUTER LAB IN THE PARISH CENTER

The second floor room on the Cranwood Drive side of the building now has several computers with internet access and the latest software from Microsoft. The computers themselves are old, but refurbished.

Those computers are there for the use of parishioners and parish groups (PSR, Women's Guild, Men of Faith, Communion and Confirmation Classes, and so on). If you're in the building and access to a computer and the internet would help your meeting, you now have access.

We've set the filters very high when it comes to the internet. So if you're looking for access to a website that is blocked, Fr. David knows how to open access for you.
